

COOKIES POLICY

1. INTRODUCTION

This Cookies Policy explains how **Hellenic Organization for Company Sport & Health (HOCSH)** (“HOCSH”, “we”, “us” or “our”) uses cookies and similar technologies when you visit and use the website of the **European Company Sport Games Athens 2027** available at <https://athens2027.org> (the “Website”).

This Cookies Policy should be read together with our **Privacy Policy** and **Website Terms of Use**.

2. WHAT ARE COOKIES?

Cookies are small text files that are stored on your device when you visit a website. They allow a website to recognise your device and remember certain information about your preferences or activities.

In addition to cookies, the Website may use similar technologies, such as pixels, tags, web beacons and other tracking technologies. For the purposes of this Cookies Policy, all such technologies are collectively referred to as “**Cookies**”.

Cookies may be:

First-party cookies, which are placed by the Website

Third-party cookies, which are placed by third party service providers whose services are used on the Website.

Cookies may also be classified according to their duration as:

Session cookies, which are deleted when you close your computer or

Persistent cookies, which remain on your device for a specified period or until you delete them.

3. WHY DO WE USE COOKIES?

We use Cookies for purposes including:

- ensuring the proper and secure operation of the Website;
- understanding how visitors use and interact with the Website;
- analysing Website traffic and performance;
- improving the functionality, content and user experience of the Website;
- measuring the effectiveness of our communications and promotional activities; and
- supporting our social media and digital marketing activities.

Some Cookies may be necessary for the operation of the Website, while others are optional and are used only with your consent, where consent is required under applicable law.

3.1 Necessary (Essential) Cookies

These cookies are necessary for the operation of the Website and cannot be disabled through the Website's cookie consent mechanism.

They may be used, for example, to:

- enable basic Website functionality;
- maintain security and prevent fraudulent or malicious activity;
- maintain user or session information where necessary;
- remember certain technical settings required for the Website to function; and
- manage and record cookie-consent preferences.

These cookies do not normally require the user's consent where they are strictly necessary for the provision of a service expressly requested by the user or for the operation of the Website.

3.2 Functional / Preference Cookies

Where applicable, these cookies enable the Website to remember information concerning the choices or preferences made by users, such as language or other Website preferences and provide enhanced functionality. Functional cookies make your visit to our website more convenient by avoiding the need to re-enter the same information on subsequent visits.

Where such Cookies are not strictly necessary for the service requested by you, they will only be used with your consent.

3.3 Analytics / Statistics Cookies

Analytics cookies help us understand how visitors use the Website, including which pages are visited, how visitors interact with the Website and whether technical problems occur.

The information generated through analytics technologies may be used to prepare aggregated statistics and reports and to improve the content, structure, functionality and performance of the Website.

Analytics Cookies will only be activated after you have provided your consent.

3.4 Marketing / Advertising Cookies

Where applicable, and subject to the user's consent, we may use marketing and advertising technologies provided by third parties to measure campaigns, understand interactions with the Website, build or measure audiences and provide or assess relevant advertising.

These technologies may involve the collection of information concerning the user's interaction with the Website and may allow the relevant third-party provider to associate such information with other information available to it.

Marketing / Advertising Cookies will only be activated after you have provided your consent.

3.5 Social media

On our website, we have included content from TikTok, LinkedIn and Facebook to promote web pages (e.g. "like", "pin") or share (e.g. "tweet") on social networks like TikTok, LinkedIn and Facebook. This content is embedded with code derived from TikTok, LinkedIn and Facebook and places cookies. This content might store and process certain information for personalised advertising.

Please read the privacy statement of these social networks (which can change regularly) to read what they do with your (personal) data which they process using these cookies. The data that is retrieved is anonymised as much as possible. TikTok, LinkedIn and Facebook are located in the United States.

3.6. Third-party services and technologies

Some third parties (such as Google, Meta, TikTok and LinkedIn) also store cookies in your device when you visit our website. These cookies are used to collect data on the efficiency of advertisements and your interaction with our website. These third parties may use these data for statistical purposes and in order to improve your advertising experience as a visitor.

Said third parties act as independent controllers in accordance with their respective terms and privacy policies.

5. PERSONAL DATA

Some information collected through Cookies and similar technologies may constitute personal data under applicable data protection legislation. Where this is the case, such information will be processed in accordance with our **Privacy Policy** and applicable data protection legislation, including the General Data Protection Regulation (EU) 2016/679 (“**GDPR**”).

For further information concerning the processing of your personal data refer to our [Privacy Policy](#).

6. COOKIE CONSENT

When you visit our website for the first time, we will show you a pop-up with an explanation about cookies. As soon as you click on "Save preferences", you consent to us using the categories of cookies and plug-ins you selected in the pop-up, as described in this Cookie Policy.

Except for cookies that are strictly necessary for the operation of the Website or otherwise exempt from consent requirements under applicable law, we will not place or activate cookies requiring consent unless you have provided the relevant consent.

You may choose to:

- accept all optional cookies;
- reject optional cookies; or
- select and manage your preferences by category.

Your choice will be recorded through the Website's consent-management mechanism. Consent to the use of optional cookies is voluntary and is not a condition for accessing the Website.

You may withdraw or change your consent to the use of optional cookies at any time by using the cookie-management mechanism ([Cookies Settings](#)) made available on the Website. Withdrawal of consent does not affect the lawfulness of processing based on consent before its withdrawal.

Please note that, depending on the technical configuration of your browser and device, cookies that have already been stored may remain on your device until they expire or are manually deleted.

7. HOW TO MANAGE OR DELETE COOKIES THROUGH YOUR BROWSER

You can manage your Cookie preferences through the Cookie settings available on the Website.

You may also configure your Internet browser to block, restrict or delete Cookies. Most browsers provide settings that allow you to control the use of Cookies.

Please note that disabling certain Cookies may affect the functionality, performance or availability of certain features of the Website.

To manage and disable cookies, you can follow the relevant instructions for each type of browser:

[Internet Explorer](#)

[Mozilla Firefox](#)

[Google Chrome](#)

[Safari](#)

[Opera](#)

[Adobe \(flashcookies\)](#)

8. CHANGES TO THIS COOKIES POLICY

We may amend or update this Cookies Policy from time to time, including where necessary to reflect changes in the Cookies and technologies used on the Website, changes in applicable legislation or regulatory requirements, or changes to our processing practices.

Any updated version will be published on this page together with the relevant “Last updated” date. We recommend that you periodically review this Cookies Policy to remain informed about our use of Cookies.

This Cookie Policy was synchronised with cookiedatabase.org on 6 October 2026.
